11:30 AM – 12:30 PM - Toxic Avenger Training - Toxic avengers monitor the burn platforms on Sunday, yes we watch fire! We're helping ensure that no nasties go into the burn platforms and that the platforms aren't overloaded so that our precious playa stays unscarred. Come to sign up and learn about this effort.

4:00 PM – 8:00 PM: Nature Walk: Interested in wildlife outside of Black Rock City? The theme for this trip is the geology of the Black Rock Desert. Bring hat, water and clothes suitable for desert hiking. Pre-registration at Earth Guardians pavilion required. Andy Baker is your tour leader.

4:30 PM – 5:30 PM - Harvesting Rainwater and Greywater: What is your greywater doing at home and on the playa? Come hear greywater use advocate Brad Lancaster and greywater evaporative expert Larry Breed talk about systems to harvest rainwater and greywater to make your home and camp more sustainable. See the web sites below for more information. <http://www.harvestingrainwater.com/>,

http://www.instructables.com/id/Gray_B_Gon_wind_powered_evapotron_for_graywater_di/

5:30 PM – 6:00 PM – Manifesting Sustainable Freedom – Come and hear Meg West from Arcadia Studio talk about ways to overcome roadblocks to sustainability in our culture. She'll use examples from Burning Man, Permaculture, and her work as a Landscape architect and LEED Accredited Professional.

9:00 - Midnight – LNTV: Suburbia – Environmental Movies on the Playa. Have we evolved from the American Dream? How do we come back from urban sprawl? Come see movies related to Suburbia, how we want to live now and what are the impacts.

Saturday - September 5, 2009

8:00 AM – 9:00 AM: Sacred Earth Meditation: Dreaming in the future ~ offering up our prayers of love and gratitude to the playa. Prayer flags provided.

10:00 AM - 11:30 AM - Earth Yoga: Bring your own mat. Be there to praise the earth and get your head in the right place to Leave only Positive Traces. Eco-tape:
<http://www.tapebrothers.com/Earth-Friendly-ECO-Duct-Tape-s/332.htm>

11:30 AM - 12:30 PM – CARPE DUCTEM - Duct Tape Workshop: - Duct Tape is art in and of itself. It is intrinsically beautiful either on or off of the roll. But, if you're like us, and we know we are, you just can't stop yourself from creating stuff with duct tape. Come and join us to try some hands on duct tape crafts.

1:00 – 2:00 PM: Geology of the Black Rock Desert - Ever wondered how those amazing land forms all around Black Rock City? Come and learn from Terry Wright, PhD. retired professor of geology from Sonoma State University. His specialty is bringing the latest interpretations of mountain building and plate tectonics to the creative general public. He will focus on the origin of the bedrock units and mountains of the black rock desert in terms of plate tectonics finishing with the recent history of faulting and lake deposits.

10:00-Midnight – LNTV Stuff – Reduce, Reuse, Recycle - Environmental Movies on the Playa - come help us ruminate on our stuff, how to reduce, reuse and recycle it! View shared video stories of stuff!

Sunday - September 6, 2009

9:00 AM - 9:00 PM – Toxic Avengers! - Come help us tend the fires of Black Rock City to ensure that no nasties are burned and that the burn platform's aren't overloaded. Shifts are from 9-noon, noon-3pm, 3pm -6pm and 6pm-9pm. If you are interested in volunteering for this group, please try to come to the orientation meeting Friday at 11:30 am at the pavilion.

6:00 PM – 7:00 PM: Camp Potluck: Come and hang out with your Earth Guardian camp mates for one last get together! We'll be sharing nosh and closing the EG bar for business!
